"IO is setting records on job creation" – U.S. Congress

On Wednesday, June 19, 2013, the U.S. House of Representatives' Committee on Small Business held a hearing entitled, "Made in the USA: Stories of American Manufacturers." IO President Anthony Wanger was invited to present the IO success story. The purpose of the hearing was to highlight the rebirth of American manufacturing and job growth, as well as the companies driving those trends.
