- There's still time to register for our webinar happening this Thursday, 3.28 @2pm EST on transforming the Data Center into DC 2.0
- Encore Capital Group, Inc.

awards a new DCaaS contract to IO

- CEO of IO George Slessman scheduled to speak at this year's upcoming Uptime Symposium in May
- SEC decides to go with Data Center 2.0
- Infographic detailing the history of digital storage

Data Center 2.0: A Roadmap for Data Center Transformation

[WEBINAR] (Data Center Knowledge) On 3.28 at 2pm EST you're invited to learn more about data center transformation when IO Senior Vice President Aaron Peterson has an in-depth conversation with the Editor-in-Chief of Data Center Knowledge, Rich Miller. The discussion will revolve around the increasing pace of the global demands being placed on data center providers.

Encore Capital Group Selects IO DCaaS (Sacramento Bee) "In addition to meeting our strict policies on security, compliance and availability, we're now able to leverage our data center as a strategic asset." - Carl Eberling, Senior Vice President, Information Technology and Chief Information Officer for ECG Inc.

The Tipping Point: Data Center 2.0 (2013 Uptime Institute Symposium) *George Slessman, CEO of IO, will discuss the causality of recent events in enterprise information technology and present a road-map to sustainable and scalable enterprise data center architecture.*

SEC Takes Data Center 2.0 Approach for EDGAR System (GCN) *The giant database, which supports the financial reporting of U.S. public companies, will be outsourced to IO Government, a unit of data center innovator IO.*

Efficient Data Storage a Bigger Issue than Analytics (Business Today) *NetApp Vice Chairman Tom Mendoza spoke about the need for focus among IT companies and the challenges in data management.*

The History of Digital Storage [Infographic] (Daily Infographic) *It's hard to believe how far we've come in storing and sorting digital media.*

Data-Center-Industry Daily (Colleen Miller) *Links to data center news from around the web.*

Careers at IO ([LinkedIn](#))

Vincent Orleck is the Social Media Specialist at IO.
